Undressed For Success!!

I am a huge fan of top-shelf porn and my favourite mag is Escort.

I love buying it for my partner David. We read it together and he likes me to pretend that I have written the letters. Well, now I have written one! Ever since we have been married my husband has told me how pretty I am and how I would make good model. For years I ignored him and put it down to sweetness. I must admit that the thought of undressing in front of strangers did turn me on.

To cut a long story short, David got hold of some photographic equipment and took some shots of me. He got them developed and whenever we went clubbing or out to dinner he would ask everybody he met what they thought of the photos, and whether they thought I'd make a good model.

To my amazement everyone was really impressed. David then surprised me by placing an ad in a photographic magazine offering me as a model.

Well, the response was unbelievable – we received over two hundred phone calls. We had a great summer travelling around and posing for photographers.

I loved being the centre of attention. We had quite a number of interesting experiences and I'd love to tell everyone about the kinkiest of them.

It occurred after a shoot in Plymouth. I had posed for a really nice photographer called Brian and David and I were staying at a hotel in Plymouth that night.

Brian asked us if we'd like to come to a noir party that evening. Of course David and I said yes and we agreed to meet Brian at a pub in town

beforehand.

All I wore was black stockings, high-heeled shoes and a long black leather coat.

As I stepped out into the night the feeling of being naked but for a leather cloak got my pussy wet. After a few drinks in the pub, during which time David had a few crafty strokes of my moistening pussy through my coat, we moved on to the party.

The inside was really dark and dingy and people were dressed in all sorts of outfits, most of them leather and all of them very revealing. The drinks flowed, as did the horny conversation. Somewhere along the line I shed my leather coat and I must have shed all my inhibitions with it. By this stage I was feeling totally horny. My pussy had been sneakily fingered a couple of times by David, but what it really needed was attention – lots of it! David must have read my mind because he led me to a table in the middle of the room, whispering in my ear that I should let myself go and enjoy it.

I acquiesced, my heart pounding, as David and Brian lifted me onto the table and laid me on my back. They bent my legs at the knee and spread them wide. I trembled and my pussy ached in anticipation as they tied me to the table by my ankles and wrists. I was at everyone's mercy, and I couldn't have been more turned on.

Now everyone in the room was allowed to come up to me and do whatever they wanted to.

The first person up was a beautiful girl dressed in a catsuit.

She knelt between my thighs and lapped at my cunt like it was a saucer of milk. Before long I had girls licking, stroking and fingering me all over. The blokes were fondling and rubbing me, and loads of them were watching the sordid scene and wanking.

I was on an amazing sexual high. I had orgasm upon orgasm until I thought I could cum no more.

That was one of many sex sessions I had over the summer. Another highlight was a porno David and I made. That was fun, but

She's A Dirty Little Squirter

not quite as fun as the party! My name is Kathryn, and I'm 23 years old with a 36DD bust and very sensitive nipples.

My friend Rebecca was round for the evening and the subject of conversation came round to sex. I explained how my boyfriend had discovered how to make me 'gush'.

This was something no one had ever done to me before, making me physically ejaculate when I cum. My boyfriend and I both find it a

MICHELLE

It might look like a hot summer's day, but Michell braved the cold for this photo shoot! "Your readers have seen plenty of the inside of my house so I thought we should take it outside. My neighbours were away on holiday, so it seemed like the perfect opportunity. The sun was shining but it was absolutely freezing. Unlike you guys when your cock shrivels up in the cold, it makes no different to us girls, my nipples were extra hard though. On reflection maybe we'll do the next set in my bedroom with the radiators on!"

MAISIE

Nineteen-year-old Maisie is the youngest model in this month's issue of Escort, but by all accounts she's been around the block a fair few times! "I finally lost my virginity when I was eighteen, which was a lot older than most of all of my friends. But since then, I've been on some sort of mission to fuck as many men as possible. The feeling of a cock in my pussy is the best thing ever and I'm going to carry on filling it with big fat long cocks!"

REAL WIFE SEX

I JUST LOVE MAKING UP DIRTY STORIES!!!

To be honest, I'd much rather Carl, my boyfriend, sold his motorbike and bought a nice car, as it's hard for a girl who likes dressing up trying to look alluring in a bunch of waterproofs and a crash helmet, but he loves the thing and I must admit I do get a thrill roaring around on the back when the weather is good.

The other evening we'd had a row about the damned motorcycle again, and he'd gone off in a huff to tinker with it in the garage. I was feeling guilty as in every other sense we get on great. Carl has a lovely big cock and knows how to please my body. He is also the best guy I've ever met at sucking pussy, and is up for spending

ages licking my clit until I'm cumming like an express train! I decided to say sorry in a way that I knew would make both of us happy. I put on a pair of black stay-up stockings, my highest stilettos, and nothing else apart from my shapeless thigh-length waterproof bike jacket. Tottering seductively into the garage, I could see Carl sprawled on the floor beside the bike with a spanner in his hand and casually walked over and stood above him.

"Can I help?"

I said in my sexiest voice.

Carl turned and looked up at me, copping an eyeful of my naked twat

and arse directly above his face. I shifted position, opening my thighs for him so he could enjoy the slutty view of what I had on offer.

Carl slid his hand slowly up one stockinged leg to the top and fondled my bare thigh before running a finger

down

the hairless entrance to my fanny, sending a tingle of excitement through my whole body. I squatted slightly above him as I knew the lips of my snatch would part, allowing him easier access to my slit. I felt his finger push inside the folds of my pussy and then another, squirming around in my moistening love tunnel. I couldn't see what he was doing as my jacket was in the way and it felt kinda dirty being fingered in the near empty concrete garage. I leant across the bike and shuddered as Carl's tongue replaced one of his fingers, licking the juice and gently nibbling the puffy lips that he loved so much. He gripped my arse cheeks in his hands and pressed his mouth against my pussy, slurping harder on my mound as if hungry for its contents.

My thighs were shaking as Carl ate me out, but I needed that cock of his and I needed it right now! I manoeuvred my denim-clad boyfriend onto the bike and unzipped his jeans. His prick was already rock solid and I slipped off my waterproofs, lowered my head, and took his delicious meat into my mouth. His hands moved to my tits and he cupped them around his dick and balls as I ran my lips up and down

his shaft, tickling the tip of his knob on each stroke. The smell of the leather seat mingled with the musky scent of his cock, and I fantasised I was some filthy slut giving the biker gang leader a blow-job, which made my cunt incredibly wet. Carl played along and roughly stuck a finger in the crack of my arse, groping for my bum hole. As he pushed the tip inside my tight back passage I came, sucking his dick as deep down my throat as I could, revelling in my own tarty display.

Carl held my head hard onto his shaft as I climaxed, treating me like the whore I was pretending to be as I gasped and panted for breath with my mouth stuffed with prick. I jerked my head off his rigid member and stared at the lovely spittle-coated muscle just aching for a twat to bang. It was time to oblige and I straddled the machine in front of his throbbing cock.

Spreading my pussy lips wide apart with my fingers and lifting my stockinged legs around Carl's waist, I roughly snogged him, arching my back and thrusting my tits in front of him like some biker groupie desperate for dick.

I grabbed his meat with both hands and wriggled my arse along the seat until I had his knob stretching me open. Carl clasped my buttocks and dragged me onto his shaft, sinking his entire length up my cunt. I lay back on the cold metal of the fuel tank as Carl started to thrust his prick inside me, standing up on the footrests so he could fuck me better.

It felt fantastic being screwed in that position, draped over his motorcycle, and I groped my boobs for him as he grunted his appreciation. I knew I could get in another climax for myself before he shot his bolt, so I worked on my clit with a finger as he hammered in and out of my slippery fanny.

As I came for a second time, my clenching pussy muscles must have sent him over the edge, as he pulled his meat from my dripping twat and fired a huge arc of thick white spunk over my tits. Carl wanked himself as the sperm sprayed all over me, covering me in the sticky mess and forming trickles of semen that ran into the crevice of my pussy.

Clambering off the bike, Carl chucked an oil-stained rag onto my naked prostrate

body and I obediently wiped up his cum while fingering my gaping wet hole, as a finale to my smutty performance. I never thought of the bike as a sex aid before, and it's certainly not as cosy as fucking in the backseat of a car but, like Carl, I do enjoy feeling something big and throbbing between my legs! Hope this had you enjoying that sensation too!

real turn-on. Rebecca, who is a very pretty 20-year-old, loves all types of sex. We sat on my bed and I got out my private photo album. Rebecca stopped at the photo of me showing my pierced nipple. She asked me how it felt. With that I lifted my T-shirt and let my boobs go on show. "Go on, have a feel," I told her. She slowly raised her hand to my breasts. I felt her soft hands caress my nipples. She moved her head close, opened her mouth and sucked heavily on my nipple. I moaned under my breath from sheer delight. I reached down and slid my hand up her smooth inner thighs. Rebecca parted her legs, allowing me access to her shaven haven. She was very wet and her thong was soaked. I entered her wet cunt with one, two, then three fingers.

a scream of delight as she orgasmed, soaking my fingers in her sweet love juices. Once we had both calmed down I told Rebecca to lie on the bed. I removed her top and for the first time ever we kissed with passion. Her tongue forced its way into my mouth - it was delightful. I reached over and got my dildo out of the drawer and then straddled Rebecca's face. Very slowly, I inserted the tip of the dildo into my soaking pussy. Then I slid it inside myself until I'd swallowed the whole thing. Then I began pumping it in and out of my pussy right in front of Rebecca's face. Rebecca's hands grabbed my arse. Her fingers massaged my buttocks and stroked my arsehole. Then I felt her ever so slowly apply pressure to my anus with her finger. Gradually I felt her finger enter my bum. She forced it in all the way to the knuckle before slowly starting to pump it in and out. This encouraged me to pump the

My thumb found her erect clit, sending her wild. She licked and sucked my nipples harder and I could sense she was on her way to a massive climax. I fingered her hard with three digits while I flicked her clit with my thumb. She started moaning softly and I knew she was about to blow. Suddenly she shuddered and released my nipple to let out

dildo faster. I built up speed and I knew I would soon be gushing. I shouted at Rebecca to open her mouth. Suddenly, I hit the right stroke and my hot fruity juices began squirting past the thrusting dildo and into her wide open mouth. When I gush, so much juice comes out it is as if I am

weeing. As Rebecca opened her mouth hungrily, a cascade of pussy cum drenched her face and filled her mouth. I pulled out my dildo and sat on Rebecca's open mouth. She sucked as much juice out of my cunt as she could. We carried on with each other all evening. I even fucked her with my strap-on. I would really like to try more girl-on-girl sex, so if any girls would like to join me please get in touch. I'm so horny thinking about it.

SHELLS

Some girls tell a sneaky little lie when they tell men that it's not all about the size of your cock, and it's more about how you use it! That's not the case with Michelle, or Shells as she likes to be known. "I've had cocks of all shapes and sizes, and I need a huge cock to get my pussy gushing and squirting. Unless it's eight inches long and super thick I end up having to finish myself off with one of my huge dildos. Sorry guys, but tiny peckers really don't work for me!"

Well, cute little 19-year-old Bayley has been on quite some mission since we caught up with her last. "I was relatively innocent when I first posed for you, but I'm pleased to say that's not the case now," Oh really, tell us more! "I made it my New Year's resolution to fuck a new guy every week and it's the only resolution I've ever been able to stick to." We wonder who the lucky guy will be this weekend? "It's so much fun working with you guys and I've never been on the other side of the camera, I'm usually the one (apart from this occasion) with my legs spread and pussy lips open wide for the world to see! I love meeting all the girls and directing them to get into all sorts of poses. Bending over with their arses in the air is my favourite, but that's probably because I love getting fucked doggy style!"

I can't show my girlfriend's face, but you are more than happy to feast your eyes on her tits, fanny and arse! We only came across Escort magazine a few months back and I wanted to see how it felt to be featured in it. I'm happy to see you're all enjoying through the pages. Have a happy wank!"

"Have you ever fucked a woman with a pierced clit? It's the best thing ever. I just have to lightly touch her pussy and my wife cums on the spot, which is lucky for me as I cum just as quickly!"

shaving my pussy bald so that it was nice and smooth for my husband Tom. He'd popped out for the afternoon, so I wanted to surprise him when he got home, and dressed up in my naughty school girl outfit. I was already feeling horny, so I got my stick of rock out and started playing with that. Naturally, I got carried away and nearly lost my sweet rock as it slid deep inside my pussy. My hole was absolutely dripping and the harder I fucked myself, the nearer I got to cumming. I just managed to stop myself at the last minute though as I wanted to

save my orgasm for later on. I had a few sips of wine and gently stroked myself. Before long, I started to get horny again, and this time I couldn't stop myself from going for it. Luckily I heard the front door go and the sounds of my husband arriving home just in time. My husband called to me, so I stepped out of the bedroom and his eyes nearly popped out. Tom loves seeing me dressed up as a school girl and I could see his thick cock rising in his jeans as he was looking longingly at me. He climbed the

stairs to where I was standing and lifted my skirt to check out my pussy. On seeing it was freshly shaven, he rubbed the front of my slit until my lips parted and his fingers delved into my damp hole.

His other hand was inside my blouse and he was massaging my breast and pulling on my nipples. My buds were solid and his squeezings made me tingle all over.

Tom knew every button to press and he lay me on the floor at the top of the landing and pushed his face into my hungry pussy. His wriggling tongue darted in and out of my dripping slot and my whole body shook as I began to tense up.

Tom took the stick of rock off me and fucked it up my sticky hole and I wailed against his thrusts.

He was licking my pussy as he fucked me with the candy and I quickly came all over his chin.

I told him now it was my turn and told him to show me his

cock.

Tom leaned against the wall and opened his jeans to reveal his rigid dick.

I flicked my tongue over the end of his shaft and tasted his deliciously creamy pre-cum.

I moved down and sucked each of his balls in turn, then I licked his prick from top to bot-tom and sunk my mouth over the top.

I sucked and wanked him into my mouth for all I was worth and almost choked with the amount of spunk he shot down my throat.

I swallowed it as greedily as I could and sighed with total satisfaction as he milked the last few drops onto my lips.

Tom wasn't finished with me by some way though and he fucked my super-hot cunt with an ice-cold banana, making me scream as I came all over his wrist.

By the time we were finished I was totally exhausted, my stockings were in tatters and my school uniform was dripping with spunk.

A fantastic fuck for all concerned!
